February Sharing

Our class has gone friendship fact and opinion finding. Each classmate interviewed a friend to find out fabulous facts about them.

Then, opinions were written as well. Please help your child prepare an oral presentation using the ideas on the attached sheet to introduce their friend to the class. Be creative. Don't just read the sheet as is. Use the sentences as a starting point to help guide your sharing.

Have fun!
Friendship Sharing will be on
Tuesday, February 14th

Ms. Talbott
